NONCONFORMIST — sage solo, SAGE-3A faithful

Suno Extend arrangement: the percussion never stops; the low end leaves and returns

Extend from the 61 s snippet | target ~6 min if supported | ~126 BPM (est.) | instrumental | no new lead melody

1 ARRANGEMENT AFTER THE EXTEND POINT

8 Lyrics blocks in order · widths show order, not duration

2 WHAT THE STYLES PROMPT LOCKS IN (verbatim excerpts)

"Continue those drums first, then bring back the original kick and bass naturally without restarting."
"… avoid new headline synth melodies."
"… one understated break, extended mixable kick-and-percussion outro."
"No vocals, EDM drops, big risers or genre jumps."

3 CAVEATS

- bracket Lyrics = guidance, not timeline control: Suno may reorder or skip
- block widths = order only; real lengths are whatever Suno generates
- ~126 BPM = analysis estimate · Extend point = inside the final perc. passage
- dashed = Suno-generated · wedges = rising / thinning low end (kick stays)
