NONCONFORMIST — hell YEAH (original mix)

what the track is, and which traits must survive any remake

1 facts → 2 identity core → 3 how it plays out → 4 guardrails

1 WHAT IT IS

release · checked on Audius

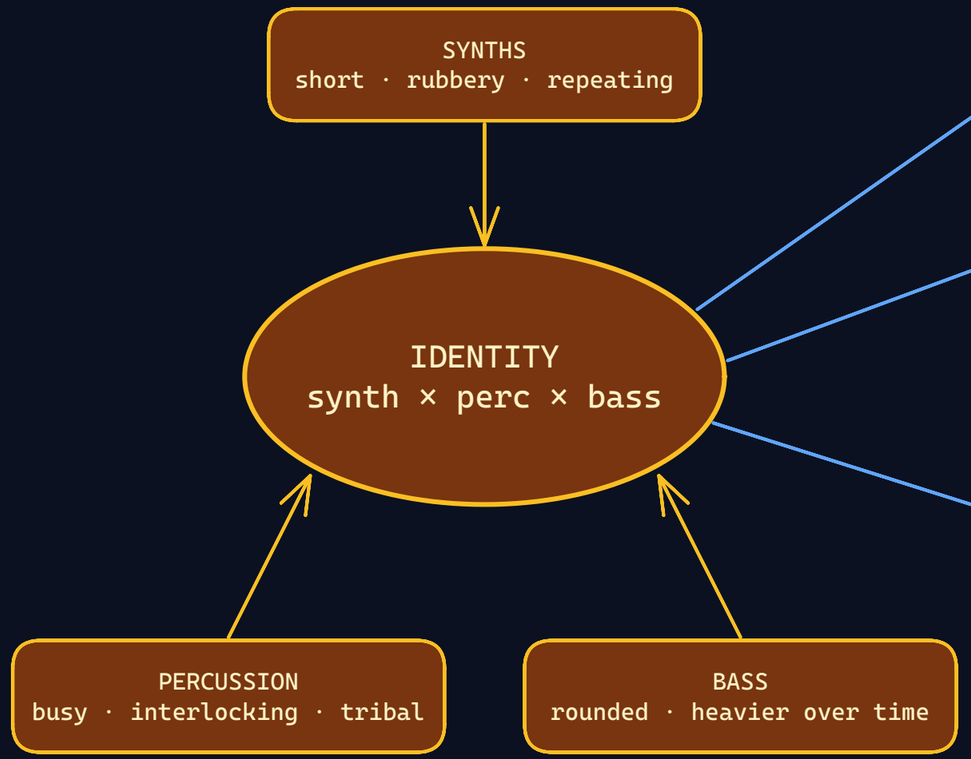
artist	Gabe Sage
genre	Techno / Cool
released	2021-03-30
length	7:38
source	Audius #323253
analysed	37.9 s snippet

"drifting its audience through
a deep phantasmagorical journey
… from subtle oscillations
to lifting resonances"

release description

= a progressively expanding
sonic journey

2 IDENTITY CORE



3 HOW IT PLAYS OUT

GROOVE

driving · repetitive · syncopated
not heavily melodic

ARRANGEMENT

layer accumulation, no verse/chorus

MOOD

underground · playful · hypnotic
physical · a little unconventional

4 REMAKE GUARDRAILS

- **NOT the dub-techno concept**
  don't reuse dub-techno prompts for this track
- **genre label = interpretation**
  hypnotic minimal techno + tribal-percussive + microhouse / tech-house, not official
- **core > genre tag**
  synth figure × tribal perc × heavier bass matters more than any genre tag
