1 STYLES · the sound

Styles field · condensed, the full text is in the .md

genre	hypnotic underground minimal techno; tribal tech-house, microhouse	perc	syncopated tribal; conga-like toms, woody clicks, rimshots, hats
tempo	126 BPM · 4/4 · instrumental	motion	interlocking patterns, short rolling fills, gradual layering
synth	repetitive rubbery analog motif; rounded, hollow, resonant plucks	mood	dark, playful, hypnotic underground club energy
low end	deep elastic rolling bassline; tight four-on-the-floor kick	avoid	no vocals, no dramatic EDM drops (soft hint only)

3 GOTCHAS

- **a proposal, not a transcription**
  structure for a longer track, not the 7:38 original's layout
- **Low-End Arrival = ~24 s event**
  the snippet's bass jump, stretched into its own section
- **Styles negatives are soft**
  "no vocals, no EDM drops" is a hint; hard negatives go in Exclude
